The Sonoma Index-Tribune

VOL. XLIII — SONOMA, SONOMA COUNTY, CAL., APRIL 16, 1921 — NO. 33

PETITION TO SPLIT UP SONOMA VALLEY HAS BEEN FILED WITH COUNTY CLERK FELT. PETALUMA'S COUNTY DIVISION PLAN REVEALED

PETALUMA'S SECESSION SCHEME GOES FORWARD AND SONOMA VALLEY IS TO BE PARTITIONED IF NEW COUNTY IS FORMED.

While Sonoma valley is peacefully pursuing its accustomed way and listening with interest to all the good talk of cooperation and boost, it is apparently unmindful that it may wake up some fine morning to find itself disintegrated—part of the valley in Sonoma county and the rest in a new subdivision to be known as Petaluma county.

The county division fight has proceeded to the stage where the petition praying for the formation of certain territory into the new county has been filed with County Clerk Felt. The petition is said to be faulty but contains the names of residents of twenty-one precincts, including San Luis and El Verano. J. K. Bigelow is one of the signers.

The petition asks the supervisors to call an election, at which the new county idea would be voted upon. If the petition is passed upon by the Superior Court of Sonoma county and is rejected, the matter will be carried to the Supreme court and there may be a long delay over the ultimate findings of the constitutionality of the whole procedure. In the interim most of the people of the Sonoma valley will not know where they are at. The new county would swallow up all of Sonoma valley but the City of Sonoma and hills to the north. There would be about 14,000 population in Petaluma county and 40,000 left in the confines of Sonoma county.

Among other signers were Mrs. Effie Bigelow, Anna and Emma Kenyon, Frank Weaver and Mr. and Mrs. W. Helberg.

ODD FELLOWS AND REBEKAHS HAD VERY SUCCESSFUL DANCE

The Womans clubhouse was crowded to capacity last Saturday night when the Odd Fellows and Rebekahs of Sonoma gave one of the most successful and well attended dances of the season. The clubhouse was all too small to accommodate the large number of dancers who gathered for the evening's enjoyment. Visiting delegations from Petaluma, Santa Rosa, Windsor, Sebastopol, Vallejo and other cities were present.

The eight piece orchestra consisting of Messrs Knolle, Pauli, Angove, Hansen, Johnson, Flieger, von Weyl and Mrs. Pauli were repeatedly encored, their music proving very popular with the dancers.

Refreshments were served by the Rebekahs at prettily appointed tables and Mrs. P. Angove presided at the punch bowl.

Over $125 was realized from the sale of admission tickets and refreshments.

Judge Leopold Justi, sitting for Justice Small, assessed a $10 fine to each of the defendants in the O'Brien and Chester cases here Wednesday.

Mr. and Mrs. A. Froment were in Paris on March 31st and were leaving for Marseilles and the following Saturday sailed for Algieria, where Mr. Froment was formerly stationed before coming to America.

Wm. Clewe is setting a good example in removing the wooden awning from the F. Clewe building and is improving the exterior of the building considerably. P. Basaglia is doing the work.

OLD-TIME METHODIST MUSICAL PROGRAM

Of interest, particularly to old timers, is the following program, presented at an entertainment for the benefit of the M. E. Church of Sonoma many years ago: 1. Hosanna Anthem, Sunday School; 2. Tableau, Midsummer's Night Dream; 3. Song and Chorus—"How the Gates Came Ajar". Miss Amy Clayton: 4. Duet, "Robin Ruff, or If I Had but a Thousand a Year," Messrs Lyon and Watt; 5 Tableau. "Dressing the Bride"; 6. Song and Chorus, "The Gates Forever Open," response to "How the Gates Came Ajar," Mrs. Campbell; 7. Song, "Son of Marasquin," R. L. Watt; 8. "Zekle's Courtship"; 9. Tableau "Wedding at the Country Parson's"; 10. Song, "Beautiful Moonlight", Misses Hope; 11. Anthem. "Blessed He that Cometh," Sunday School: 12. "Mrs. Jarley's Wax Figures."

Boyes Springs Fire Engine Shown

The Boyes Springs fire department chemical engine, "Valley Angel," stopped over in Healdsburg Wednesday to show the people here what a real fire truck looks like. The machine is a fast, up-to-date model, modernly equipped.

Mayor J. W. Minges of Boyes Springs, Fire Chief W. B. Cause, R. D. Taylor and T. Kearnes make up the party which is touring the county to display the new apparatus. They represent the Valley of the Moon Chamber of Commerce, and are making the tour in a good roads and boosting campaign for Northern California.—Healdsburg Tribune.

M. E. ENTERTAINMENT TO HAVE NOVEL PROGRAM

Mrs. Burchette's Elocution Class and Boy Scouts to Present Clever Numbers at Woman's Club House.

The entertainment to be given at the Woman's club house Friday night, April 22nd, for the M.E. church will be replete with novel program features.

The elocution class, under the direction of Mrs. Burchett, will present many clever numbers. There will also be esthetic drills, pantomime, music and songs. A play in one act, "At the Photographer's," promises to be an exceptional treat.

Sonoma is fortunate in having so talented a couple as Rev. and Mrs. Burchett in its midst, for Mr. Burchett is a talented musician and is directing two orchestras of young musicians, one in his congregation and another at the high school, while his wife has proven her exceptional ability as an elocutionist and dramatic reader. The program, under their direction, is sure to be most entertaining and enjoyable.

The M.E.Ladies' Aid will serve refreshments at the entertainment.

F. Naden of Fresno county has been here this week looking over his ranch and visiting the E. J. Harris family.

Mrs. McCauley and Mrs. Benton have returned to San Francisco after a visit with Mrs. Church.

Master Warren Schell and Tom Mooney visited at the Schell home over the week end.

The Flying Needles will meet next Wednesday afternoon at the pretty home of Mrs. Jack Picetti, on Napa street.

NEIGHBORS GIVE GEORGE CAMPBELL BIRTHDAY PARTY

George Campbell, ex-school trustee of Watmaugh district, who recently resigned after many years loyal service to the school, was tendered a delightful birthday party in honor of his seventy-first milestone and in recognition of his faithful service as a trustee last Saturday night. Mr. Campbell and his talented wife were much pleased with the compliment and everyone who participated had a fine time.

Lost Their Young Lady Daughter

Sonoma friends of Mr. and Mrs. O. W. Palstine, who formerly resided here, heard with keen regret of the death of the couple's daughter, 19 years of age. The young girl died at Berkeley following an operation for appendicitis. She was a stenographer and held a fine position prior to her fatal illness. Deceased is survived by two brothers and a sister, in addition to the parents and other relatives.

Mrs. Palstine was formerly Zelma Johnson of this place, a sister of C. E. Johnson, the expressman. Mr. Palstine one time taught school at El Verano and was later in the grocery business here with J. M. McGimsey.

VALLEY OF THE MOON CHAMBER OF COMMERCE HAS SPLENDID MEETING

Get Reply From Sacramento In Regard To Paving of Black Point Cut-off. Plan Publicity For Sonoma Valley.

The Valley of the Moon Chamber of Commerce had a good meeting at the Boyes Springs clubhouse Thursday night and that the organization is already getting results was evidenced by the prompt replies from Sacramento on the status of the Black Point Cut-off paving. Hon. L. E. Fulwider, assemblyman from this district replied to a telegram sent by Secretary Blomgren and proved he had been doing some good work with the Highway Commission. Mr. Fulwider assured the organization that he would continue to intercede in behalf of Sonoma Valley and enclosed the following letter he had received from the Commission;

"Confirming statements made to you over the telephone this morning, relative to resumption of work on the Black Point Cut-off, we beg to advise that the Commission had hoped to have advertisement for bids for the Ignacio end of the highway running by this time but in making up the final plans for advertisement for bids it was determined that a betterment could be obtained by a grade change utilizing the present graveled surface which change of grade has delayed advertisement for several weeks.

There is no disposition of the Commission to unnecessarily delay this work and it is hoped that advertisement for bids may be commenced within the next three weeks.

Very truly yours,
California Highway Commission
By C.C.Carleton, Acting Secretary.

The matter of publicity and the raising of funds to "put over" a good publicity campaign for the Valley of the Moon was earnestly discussed. Thos. P. Boyd of San Rafael suggested a progressive pageant and entertainment in various parts of the valley to advertise this section and to make money for a publicity fund. Chief Cause suggested a three-day carnival, the proceeds to be divided between the fire engine and publicity funds.

Geo. F. Darling complimented Chief Causes's splendid work and urged cooperation with him in the future. J. M. Minges, an honorary member, insisted on paying his $2 initiation fee and becoming a real working member, so he declared in a ringing talk to members. Mayor Minges is a live wire and a booster from way back and never fails to awaken great enthusiasm.

The membership of the Valley of the Moon Chamber of Commerce is approaching one hundred.

A Brilliant Caerer

Gail Sherman, beautiful California girl, had a brilliant career. She gave it up for a man.

Was he worth the sacrifice?

Gail answers. She tells women the truth. Her story thrills with its intimate and revealing details.

Watch for it in the vivid new serial, "Fate and the Woman," by Elenore Meherin, author of "Ann and Phil." Starts in The San Francisco Call April 21.—Adv.

BUSINESS MEN'S BANQUET THURSDAY NIGHT, MAY 5

Sonoma Boosters to Have Get Together Dinner, at Which All Promotion Bodies of Valley Will Be Represented.

The date of the big booster banquet has been fixed by the Sonoma Business Men's Association for Thursday evening, May 5th. The get-together dinner is scheduled for 7 o'clock sharp and will be held at Ciucci's. Reservation cards are to be mailed out this coming week and all promotion bodies in the valley invited to participate.

Noted speakers from the San Francisco Downtown Association and other places will be on the program, and their inspiring talks along the lines of civic advancement and community cooperation are sure to prove a treat and be productive of great good to Sonoma valley.

A chicken and ravioli dinner is to be served by mine host Ciucci and reservations may be made for $1.25 per plate.

DANCE AT PANCRAZI'S ON 23rd

The popular demand for another dance and ravioli supper at Glen Ellen's hospitable resort, brings the good news from Julius Pancrazi that he will give dance lovers another good time and supper on Saturday night April 23rd. Special music has been secured for that date and is expected to create a furore among jazz enthusiasts.

L. S. Simmons is having a ladies dressing room put in as an annex to the mezzanine floor at his drug store and ice cream parlor.

The little daughter of Mr. and Mrs. Pete Basaglia is still quite sick, her condition following an exploded appendix not being so favorable this week.

"EPIT" WEISS, the expert opthalmic optometrist, will be in Sonoma at the Union hotel on May 3d. Permanently located at 706 Larkin street, San Francisco.

FIRE ENGINE MAY GO OUTSIDE CITY LIMITS

City Trustee Bates Advised that Sonoma's Fire Engine May Go Outside City Limits. Board of Underwriters Welcomes Extended Protection.

The following letter has been received by Trustee H. F. Bates who took up the mooted question of whether the fire engine could go beyond the city limits without jeopardizing insured property in town and had Chapman & Nauman, General agents of San Francisco, consult the Board of Fire Underwriters.

San Francisco, Cal., April 8, 1921
Mr. H. F. Bates, Sonoma, Cal.
My dear Bates:—

In order to be sure of my position regarding the information given you about the fire department of your town, I beg to advise that I took up the matter with the Board of Fire Underwriters, and find that, as far as the Board is concerned, they would approve of the fire apparatus of your town going to any district where they would be of any use, that is, where there are water mains, or, if it is a chemical engine, where they could use their chemicals.

As a matter of fact, the Board has reduced rates outside the City of San Jose where they have an agreement with the Fire Department of San Jose that they will cover these districts if the Fire Department responds to alarms.

Therefore, you can see that instead of being a detriment, we consider that it is in favor of our business in general to have fire departments in the various towns visit fires that may occur outside of the incorporated limits of a town, so that the stand taken by your committee is entirely wrong.

In addition to that, there can be no jeopardizing of fire insurance for the reason that each policy that is issued is a contract between the Insurance Company and the individual or assured, and there is absolutely nothing in the contract in regard to the maintaining of a fire department.

The Board of Fire Underwriters reduced rates on account of the maintaining of a fire department but that does not enter into the contract between the owner of the property and the Insurance Company. Therefore there can be no exception taken in case a fire occurs if the fire department were away attending a fire outside the incorporated limits of the town.

We trust we have made the matter plain, and if there is anything further that you wish on the subject, kindly let us know. In the meantime be assured that your City will have the approval of the insurance people if they allow their fire apparatus to extinguish fires outside of the incorporated limits of town.

Yours very truly,
Chapman & Nauman
By A. J. Chapman.

The above opinion is concurred in by Edmund K. Lower, special agent and adjuster, representing the Geo. H. Tyson company who was in Sonoma and said that all property that could possibly be saved was what the insurance people wanted regardless of where it was located. Mr. Lower said since there was only a 10 cent reduction in Sonoma insurance because of fire fighting apparatus, it was apparent that even if the insurance people were disposed to take advantage of the situation should a fire occur in town when the engine was outside fighting a blaze, the insured would lose only the difference of the 10c reduction on the amount of the premium paid. However as nothing in the policies or the Underwriters attitude indicates the necessity of restricting the service which the engine purchased by popular subscription is expected to give Sonoma and its neighbors, it is said the Board of Trustees will repeal the obsolete ordinance covering this point.

REDMEN-DAUGHTERS OF POCAHONTAS BALL TONIGHT

Proceeds Will Go Toward the Sick Fund of the Local Lodge and its Auxiliary.

Tonight, April 16th, is the big date on the social calendar for the local Red Men's lodge and Daughters of Pocahontas give their benefit dance at the Woman's club house. In addition to the reputation of the lodges as dispensers of true hospitality, interest is evident on account of the worthy cause for which the dance is being given. The sick fund of the lodges is rather depleted, owing to considerable illness, a death among the Pocahontas Daughters and the many contributions to European relief funds and orphans.

The Syncopated Four will make its professional bow to jazz lovers and the Pcahontas Daughters will have charge of the refreshments.

A big delegation from San Rafael is expected to attend.

Fate and the Woman

Is a husband necessary? Or should a woman choose a job instead?

This is the crucial problem for the girl of today. Gail Sherman was one of these. She earned a big salary.

The story of her decision is heart-shaking. It bares the hopes and conflicts of the woman heart. It answers your questions. Read "Fate and the Woman," the story of a charming California girl, by Elenore Meherin, author of "Ann and Phil." It strats in The San Francisco Call April 21.

A LITTLE LIGHT FROM A BOMBSHELL

IT SEEMS TO US that organizations working for the advancement of a community should be boosted, not ridiculed, but here in Sonoma we have the nauseating spectacle of a newspaper belittling the Business Men's Association for no other apparent reason but the petty one that the rival editor is active in it. An attitude such as this is to be deplored, and ye the arch dissentionist lets out a wheeze occasionally and wants to know why Sonoma don't grow.

When it comes to belittling a man because he is an ex-soldier, served as a volunteer during the Spanish-American or any other war and is getting what the American people believe is an ex-soldier's due, it is a serious matter. Ridicule of this type savors of disloyalty. The editor of the Index-Tribune, who stirred the ire of the town knocker by serving as acting secretary of the business men's last meeting, is proud of the fact that he is an ex-soldier, though he never paraded the fact that he volunteered and served in the army seven months with the boys of '98.

The sarcastic allusion to his army service, which the author of the contemptible screed lugged into the account of the business men's meeting, is not hard to fathom, for-fetched as it seems. Quite evidently one of his henchmen, an ousted office-holder, believed he was providing his editor friend with a real nifty bombshell when he filled him full of the soldier tax exemption story, but it has proved a boomerang and shows the two cronies up in their true light. In taking program from the ex-job-holder the writer of the article treads dangerous ground in his sarcastic reference to wartime service, for he has called to mind an incident during the recent war in the midst of a local Red Cross drive when his patriotism was seriously questioned. His attitude then and more recent disrespectful allusion to Uncle Sam's uniform do not square up very well with good Americanism. That disloyalty to our community is retroactive on citizenship is evident.

THE RIGHT SPIRIT

PETALUMA CREEK is to get a $10,000 appropriation from Congress this session so Congressman Lea wired last week. Mr. Lea made the plea on behalf of this waterway, which has been greatly developed during Mr. Lea's terms at Washington. It mattered not a whit to our broad-calibered Congressman that Petaluma gave him almost the only opposition he encountered when he came up for reelection. He continued to seek aid for Petaluma harbor, knowing full well that anything which developed as important a project as a waterway into Sonoma county would bring prosperity and progress to the whole county, and, incidentally, to all of California.

This is the spirit which should characterize public activities, for a narrower vision of things can have only negative results. In our state highway controversy there should be but one motive and purpose—the general development of Sonoma valley and county. In fact, if Sonoma valley's division of opinion as to the routing of the highway is going to jeopardize the opening up of the important artery into Sonoma county via Santa Rosa, Sonoma valley should waive its local sentiment and opinions altogether.

The highway which might have been included in the county bond issue but was taken over by the state has been hanging fire altogether too long. It is unfortunate just at this time, when action seemed likely, that a controversy should have arisen. Why not draw straws for the route and let it go at that? We might be able to interest the highway commission in the gambling spirit and to pledge immediate action as soon as we "pulled off" the straw stunt. Why not? The expense of building being similar and the engineering being feasible we see no reason why the Sonoma valley and the traveling public should not be well satisfied with the lucky draw. Straws are said to show which way the wind blows. They might also tell which way the highway goes.

A RECENT REPORT of the accomplishments of Santa Rosa's police woman includes the sending home of young boys and girls on the streets after certain hours and advice to girls at dances to pull up their stockings. Such work used to be in the hands of pa and ma, but with the tendency of public supervision of everything, home influence is atrophying and it begins to look as though the old-fashioned methods of discipline, effective as they were, are doomed to be entirely superceded by moral squads actuated by high salaries and perpetuated by propaganda so suave that we can almost hear the patter of the millennium just behind it.

The job chaser's and social poser's day is at its zenith, but we opine that the veil will sooner or later be torn from these prophets and sane methods of evolution obtain (with lessened taxation).

IT IS A MATTER OF PRIDE for all California that already Senator Shortridge has been signally honored and recognized by the sixty-seventh Congress. Called to preside for Vice President Coolidge and asked for rulings on close parlimentary points, he measured up to our highest expectations of him and we predict he will achieve the kind of recognition which California needs. The real ability and distinguished presence of Mr. Shortridge will win for our golden state, the prestige of which its best citizenship is worthy.

THERE IS ONLY ONE explanation of Trustee George Breitenbach applying the whitewash via the prohibition sheet. He probably imagined he was handing out some dry wit. It was too dry, no one would swallow it.

TURKEY has soldiers from 60 to 100 years old. The harem as an aid to militarism is another argument against the latter.

THEY TALK about the breaking down of the prohibition enforcement machinery. Did it ever work?

THERE'S NOTHING the matter with George only he's pre-historic.

WHAT IT COSTS TO BUILD PERMANENT ROADS

The bids opened by the supervisors this week for the 1.93 miles of county highway on the Sebastopol-Freestone unit showed ten bidders were represented, and their figures varied from $72,842. 60 to $82,004.60.

The bids all run below the estimate of the county engineer. The bidders and their amounts follow:

A. F. Fairbanks	$82,004.60
C. J. Lindgren	78,719.00
Galbraith & Janes	73,524.10
R. C. Hackley	78,665.60
G. W. Connors	72,842.60
C. B. Cowden	74,564.30
McLeran & Peterson	78,034.00
Pacific States Construction Company	76,385.10
E. Zimmerli	73,613.50
T. M. Olney	78,710.50

Farewell for Mrs. Rochambeau

The ladies of the Glen Ellen Woman's Improvement Club gave a farewell to Mrs. Rochambeau Thursday of last week and after voicing their regret at losing so beloved and valuable a member, presented her with a handsome silver sugar bowl. The friends and neighbors invaded the hospitable Rochambeau home and took the gracious lady of the house by surprise. They were accorded the usual welcome and soon a delightful afternoon was in progress, though tinged with the regret of the leave-taking of this splendid and enthusiastic club worker.

Mrs. Shepard presented the gift, which will ever be treasured by the recipient. Mrs. Rochambeau, in acknowledging the remembrance, said she would continue to work toward the goal of the Jack London memorial, even though she would be separated from her co-workers in Glen Ellen. She will continue her work for the good cause among her friends around the bay.

Mr. and Mrs. Ted Whitlow (Dorothy Macfarlane) are leaving San Rafael for Arizona, where Whitlow hopes to regain his health. He has been sick for several months and since the death of his little daughter has been steadily declining. The young man was making progress in a San Francisco bank and was also a clever semi-professional baseball player.

D. Guffanti and Carl Berger were admitted to citizenship this week. Judge Murasky sat for Judge Seawell who has been hearing a case in San Francisco.

Mr. and Mrs. Oliver Hall and children of Novato were visitors at the McElroy home over the last week end.

Mr. and Mrs. Arthur Drake (Amy Engler) of Santa Rosa came down Saturday evening to attend the I. O. O. F. ball.

Old-Timer Visits Son Here

Ben Chambers, who went to school in Sonoma in 1852 and learned to speak Spanish from the Fowler family, has been visiting his son at Boyes Springs. The pioneer was much interested to look over scenes of his boyhood. His son is the live wire novelty salesman at Boyes, who when he is not selling is always boosting for beautiful Sonoma valley. He and his wife are here for the 1921 season at the springs.

Successful Dance at Panerazi's

The young folks of the valley and surrounding cities crowded Panerazi's auditorium last Saturday night to enjoy the dance and ravioli supper which Mr. and Mrs. Panerazi have made famous. A Santa Rosa jazz band furnished the music and the dance was pronounced the best yet by all who attended.

Henrietta Weber and May Bosch of San Francisco were here for the dance Saturday night.

Mrs. Morris Levy was up from San Francisco over the last week end visiting her father, Captain Bosch, at Vineburg.

Sebastopol has decided to put in asphaltic concrete streets, with Warrenite surface. The trustees had excellent satisfaction with this type of pavement on former work.

Mr. and Mrs. A. Froment have arrived safely in France, and although the voyage was exceedingly rough none of the family was seasick except their little daughter Marguerite.

Notice to Bidders

Notice is hereby given that bids will be received up to Wednesday, April 20, 1921, for the taking down of the steeple of the Methodist church. Plans and information may be had by applying to Rev. W. Burchette at the parsonage.

STUDENTS TO GIVE SKETCH AT SANTA ROSA

Meryl Bish, student in the local Junior College, is busy working up a comedy sketch which will be given by his troupe of amateur actors at the high school Friday morning, in the regular assembly hour.

The name of the comedy is "Ding-a-Ling," and promises to be a big hit. Joe Dearing, Joe Bussman, John Lucas, Arsene Chauvet, Hamlin Bigelow and Meryl Bish will make up the cast of the play. All of the boys have taken part in several plays at the school and promise to make this one the biggest success of their careers as amateurs.—Press-Democrat.

Sebastiani Goes East

Sam Sebastiani left Tuesday for a business trip to New York. The wine and cannery situation will be looked into by Sebastiani, who will return to the coast in a few weeks thoroughly informed as to market conditions in the east. During his absence work is to go forward on his new bungalows.

REPORT OF MARKETING COMMITTEE CALIFORNIA CATTLEMEN'S ASSOCIAT'N

Feed conditions in the state are very good, except in a few localities in the southern part of the state. There is no surplus of fat cattle in the state at present. There is more feed and there are less fed cattle to be marketed in the state than for the last several years. Cattle should be held for the May market. Oregon fed cattle have been slaughtered and there are no more to be marketed at present. The supply of outside fed cattle is practically exhausted.

Reports from eastern makets are invariably to the effect that prices will go up in May, and our surplus cattle, if any, will be in strong demand at Portland and other points at that time. Some buyers are endeavoring to procure grass steeers for less than 8½c within a $5 freight rate. Four cars of steers were sold at Visalia last week at 8½c f.o.b. cars. Do not ship any cattle on consignment to a market north or south. Sell f.o.b. cars at shipping point.

It is generally conceded that banks will not compel or expect beef cattle owners to dispose of their cattle at a sacrifice in order to liquidate their cattle loans.

Relative to the guarenece fund plan for handling cattle in California your committee reports that this plan will function at the proper time. Guarantee notes are being filed with us continually. This fund will not be used until the proper time comes, and then only for handling of surplus prime beef for shipment outside of the state.

EVENING COMPLIMENTARY TO OUR TEACHERS

A delightful evening was enjoyed at the L. H. Golton home last Saturday, when the professor and his gracious wife entertained the faculty of the high school and other teachers of town. Cards, music and dainty refreshments were enjoyed by the guests and the spacious home, with decorations of spring blossoms, was the scene of much merriment, as the congenial company partook of the hospitality of Sonoma's leading educator.

Rev. J. F. Byrne has his plans drawn for a modern parochial residence and is advertising the sale of the old house, which is to be moved away.

W. W. CARTER

will insure your automobile, your home, your barn, your plate glass front or any property of value. See him, next to Union Hotel, Napa St., Sonoma. 11-tf.

HIGH SCHOOL AFFAIRS OF INTEREST

The Honor Society, the faculty and two members of the Board of Trustees, Mr. Bish and Mr. Helberg, partook of an elaborate banquet Thursday evening, April 7, in the domestic science building.

The banquet room was tastefully decorated. Sprays of wistaria gracefully festooned the window curtains. Two attractively set tables were joined by a bridge of greens, wistaria and lilacs. The honor pin was re-produced in lilacs and the floral replica hung on the wall.

As enjoyable as the banquet itself were the limericks, speeches and musical numbers given by all present. This is one of the fun creating limericks:

"Here tonight is a senior named Schell.
He is handsome, you see, and quite swell.
A Fresman so smart
Ran off with his heart.
I am sure that you know her quite well."

Among the speeches made were "Recreation," by Donald Prestwood; "Student Activities," by Marguerite Helberg, and "Cooperation," by Harry Burmeister.

The musical numbers consisted of piano solos by Miss Burt and Herschel Hyde; a vocal duet by Miss Jensen and Miss Poppe; numbers by Evelyn Cordell, piano, Anna Noyes, violin, and Fred Schell, banjo; and oriental songs by Miss Poppe.

After a half hour of dancing all departed for their homes, feeling the evening had been one of real and profitable recreation.

Wednesday was a tag day at the school for the purpose of raising an accident fund, which has been necessitated by the broken fingers of two of our baseball players, Frank Canevari and Fred Batto. An entertainment some time in the near future is being planned to further the establishment of this fund.

REPORTER.

Mrs. Harriet McKeon and Mrs. Amelia Vance accompanied Mr. and Mrs. Roy Herold on a motor trip through the Sonoma valley last week. Mrs. Herold is the daughter of Mrs. McKeon, who was formerly Miss Harriet Ehrlich. Mrs. Vance was also a daughter of this pioneer family and now resides in Fresno. They called on Judge Justi and sister and other friends while here last Saturday.

Mr. and Mrs. Tim O. Gorman, formerly of Agua Caliente, are conducting the former John Bocca resort, near Glen Ellen.

27 PER CENT MORE HOGS IN CALIFORNIA NOW THAN TEN YEARS AGO

Increase of 27 per cent in the number of hogs in California during the last decade is noted in a recent report released from the College of Agriculture of the State University. In 1910 there were 767,000 head of hogs while in 1920 the number was 973,000. Relative rank of the swine breeds in the country as a whole is given as follows:

Duroc-Jersey, 34.2 per cent; Poland China, 27.9 per cent; Chester White, 10.7 per cent; Bershire, 9.2; Razorback, 4.2; Hampshire, 3.9; Tamworth, 0.7; Yorkshire, 0.6; Cheshire, 0.3; others, 2.7; nondescripts, 5.6

"Since pork constitutes more than one-half of all the meat produced in the United States, and is the mainstay of the ration of most laboring men and soldiers, the importance of pork production becomes evident," the report declares.

Ten years ago the price of hogs was a little over $9 a hundred. In 1919 it was $22 a hundred. In 1920 it had fallen to $19 a hundred. The cost of corn and barley, however, have similarly fallen since 1919.

"In this state the work of the farm bureaus of the University of California has had much to do with stimulating swine production by means of pig clubs and community auction markets," the report says. "These agencies have brought about considerable improvement in quality and prices, and doubtless have been one of the main factors in the great increase in the number of hogs.

Through the division of agricultural education the university is now affecting a corresponding course in swine husbandry, according to H. M. Butterfield, in charge.

John Batto, the pioneer merchant and senior member of the firm of Batto & Sons, has been indisposed the past week at his Vineburg home, though his illness is not regarded as serious.

Ray Gottenburg and Dr. Burnett motored to San Francisco last Sunday.

Mrs. Fred Helberg hospitably entertained the White Shell Club last week.

Harold Prestwood of San Francisco was greeting friends and former schoolmates here last Saturday night.

One of the fameus Nixon cows has come to be a part of our Valley of the Moon herds. The Napa valley Guernsey was recently bid in by Mrs. Shepard of the London ranch for $335.

UNIVERSITY THANKS THE INDEX-TRIBUNE

That publicity through the medium of the Index-Tribune is effective and is appreciated by the University of California is apparent from the accompanying letter:

April 9, 1921.

Editor Index-Tribune, Sonoma, Calif.
Dear Sir: Newspaper publicity is the chief means university extension has of informing the public of its service. Among newspaper clippings recently recived was one from the Sonoma Index-Tribune on the motion picture films circulated by the extension division. We wish to thank you.

It is chiefly through the generosity of the newspapers of this state that we are able to tell the people of the work we are doing. The university extension division thus puts within the reach of the people of California the usefulness of the university. It aims to help as many citizens as possible to utilize their leisure and to advance in industrial, business and professional vocations.

Since the publication of this article in your paper we have received a number of inquiries from your community concerning extension work. We appreciate your assistance and hope that we may count on your continued support. Sincerely.

GLADYS CAMPBELL,
Recorder, Extension Division.

A correction is due City Marshal Albertson, who was reported to have asked for compensation as health officer. As a matter of fact the State Board of Health requested that he be compensated.

Mr. and Mrs. Rochambeau have been a great acquisition to the community and will be greatly missed by friends and neighbors in Sonoma valley.

Mr. and Mrs. J. S. Kellan of Tubbs Island were in town Monday and report a splendid crop of hay and grain on the island this season. Mr. Kellan is superintendent of the big ranch.

Paul Dewey of San Francisco, a former Sonoma boy who enlisted with the Grizzlies and was a lieutenant during the war, has gone east to claim his bride, a young nurse whom he met while in the service.

Mr. Ernest Noyes came up from Sausalito and spent several days with his family on the Hyde tract.

Fred Schell Jr. went down to Berkeley for the big track meet and was the guest of Steve Duhring.

COMES TO SONOMA VALLEY TO FORGET TRAGEDY

An aftermath of the tragic murder of a beautiful Fresno girl Alice Byxby, who was shot down by an unknown ruffian in San Francisco recently, is the coming to Sonoma valley of her chum, Miss Thompson, who is stopping on a farm near El Verano trying to blot out the scene of the awful crime which she witnessed. Here in our beautiful Valley of the Moon, surrounded by all the beauties of wild flowers and spring time, the young lady hopes to recover from the great shock which she has been through. Not only did she witness the shooting of her chum, but she herself was struck by the butt of the gun in the hand of the assassin, who had come out of a park and approached the girls on their way to a party. After firing several shots at Miss Byxby the fiend hit Miss Thompson on the back with his empty revolver. She ran screaming as her chum was shot down and was met by Arthur Dettner, who was going to escort the girls to the party. Dettner picked up the dead girl, while police scoured the neighborhood for her assailant. He has never been captured.

Mr. Dettner and a friend drove Miss Thompson up to Sonoma valley last Saturday and she expects to remain here several weeks.

Mr. and Mrs. Agnew of Petaluma were well-known visitors here Saturday night attending the successful dance given by the Odd Fellows. Mr. Agnew is the well-known shoe merchant.

Ford

THE UNIVERSAL CAR

The Ford Sedan, with electric self-starting and lighting system and demountable rims with 3½-inch tires front and rear, for every day in the year has no equal as a family car. Just as popular on the farm as it is in the city. In fact, it fits the family demands in every vocation of life. Large, roomy seats, finely upholstered, plate glass windows make it an open car in pleasant weather, while in rainy and inclement weather it becomes a closed car, dust-proof and rain-proof. It is not only comfortable, but really cozy, and above all, economical in operation and maintenance, and has all the Ford merits of strength and durability.

SONOMA BUSINESS PROPERTY CHANGES HANDS

Mrs. A. McElroy Sells Holdings On Napa Street To Messrs Castagnasso and Clerici.

Sonoma business property continues to be active and this week a big deal was consummated whereby Henry Castagnasso and August Clerici became the owners of the McElroy property consisting of the drug store occupied by L. S. Simmons, the stores occupied by W.E.Keifer and Al Stein and the barber shop of Tony Franceschi. The property is in the center of one of Sonoma's main business blocks and has a frontage of 62 feet on Napa Street and 35 feet on Broadway. The Broadway lot is unimproved. The deal is said to have been a good one and thoroughly satisfactory to both seller and purchasers. It is understood to have been a cash transaction.

The present tenants will continue in their present locations, Mr. Clerici, the well known business man remaining in his present location although his growing business calls for more room. His purchase of the McElroy property in partnership with his father-in-law Mr. Castagnasso, was simply a business investment.

Mrs. McElroy has found the management and upkeep of the property of considerable worry and responsibility since the death of her husband, so decided to sell and otherwise invest her money.

Beautiful Gail

She was beautiful, wealthy, beloved of men. One day she walked out of her father's mansion and took a job in a department store.

How did the world treat her? Your pulse will throb as you learn Vital, grippin, intense were the experiences of the "girl alone" in a hostile world. Watch for "Fate and the Woman" in the San Francisco Call, April 21, written by Elenore Meherin, author of "Ann and Phil." —Adv.

VINEBURG NEWS

Something tells us that in a short time a popular young Native Son, an overseas veteran, will claim for his happy bride one of Vineburg's most charming and handsome daughters. We hope so.

Mr. and Mrs. Fred Batto, accompanied by their daughter, Miss Emily, visited the metropolis on Wednesday last.

Work has commenced on the highway and it is the hope of everyone that it will be completed as soon as possible, as it is much needed.

Frank Allen is worried. Some one told him that Fred Bonner was going to run against him for "Mayor." Never mind, Frank, he will never get there "on time."

Supervisor Fred Lowell was transacting business and exchanging greetings with his friends in this vicinity on Monday.

Mr. and Mrs. B. Dupuoy of Sonoma valley's pioneer summer resort, Vineyard Villa, are now busy preparing for the coming season and have already a number of guests. Mr. and Mrs. Dupuoy are experts in catering to the public and will win out.

Mrs. Morris Levy of San Francisco is the guest of her parents, Captain and Mrs. Peter Bosch.

Louis Rouquie, well known in Vallejo's artistic painting circles, but whose residence is in Vineburg, was the week end guest of his family.

This part of the valley was well represented at the I. O. O. F. grand ball in Sonoma on Saturday evening last and always is when Mrs. Grove C. Rubke takes an interest in a good and noble cause.

Muller & Downey, Sonoma valley's progressive painters and paper hangers, are now engaged in painting and renovating the handsome residence of Supervisor Fred Lowell on the Napa road, and it looks swell.

Notice

The public is asked to immediately clear the streets and give the right of way to the fire department in case of a fire alarm. Give the exact location of the fire when you turn in the alarm.

Dwellings of a Bygone Day

RED CROWN GASOLINE

The Gasoline of Quality

ALONG the Apache Trail in Arizona the motorist can see the dwellings of a race—now believed to be extinct. These cliff dwellings are at least 400 years old and if their walls could speak they would tell a most dramatic story of romance and conquest.

Arizona has more than its share of interesting places to lure the motorist. There he will find many Indian reservations—the homes of Apaches, Navajos, Hopis, Mohaves and other tribes. There, too, is the famous Roosevelt Dam and the incomparable Grand Canyon of the Colorado River.

And wherever he goes the motorist can be sure that his motor fuel will be right—because Red Crown Gasoline is sold everywhere.

Look for the Red Crown sign on service stations and garages.

FALL FROM WINDOW CAUSES DEATH OF FORMER RESIDENT

Geo. C. Young, a pioneer resident of Sonoma, but who made his home ni Petaluma for many years after leaving here, met a sad death Wednesday when he wandered from his bed and fell out of a window. He had been failing mentally and physically for some time past. The death of his wife and a splendid young man son preyed on his mind considerably.

In early days here in Sonoma Mr. Young met and married Miss Dora Leppein, who was a private tutor in the Dubring family.

Old friends will read with sorrow of the unfortunate end of the old pioneer. He was a Past Grand of Petaluma lodge, I. O. O. F., and had other fraternal affiliations.

EXCEPTIONAL OFFER

The Oakland Tribune, daily and Sunday, by mail, $9.75 with the Sonoma Index-Tribune. Sample copies on request.

PROTEST SUPERVISORS EXPENDING $85,000 ON 1.92 MILES HIGHWAY

An injunction has been issued restraining the Board of Supervisors from expending the $85,000 voted to build four miles of highway between Sebastopol and Freestone on 1.93 miles of work, as advertised. Bids had been asked for and the contract on the 1.93 mile piece of concrete was about to be let. Bids for this fraction of the road, as figured by contractors, ranged from $72,000 to $82,000.

The injunction filed by C. O'Farrell, a taxpayer, declares that the money should be put into the four miles of road voted for and as much permanent grading, drainage, etc., be done as the bond money will permit.

Cotati contemplates similar action on the road between there and Sebastopol.

JAPANESE TEA GARDEN DANCE ON APRIL TWENTY-THIRD

The Ro-Cara-Pasa Club, renowned for novelties in the way of dances has decided to give a unique and beautiful Japanese Tea Garden Dance at the Womans clubhouse, Saturday night, April 23rd. The young men who comprise this club have given two prior dances and they have been great successes. Tip-top music by the Syncopated Four, and Oriental effects in decorations and favors will make it a jolly affair.
